What would you do with \$500 to improve the quality of life for the Midcoast community?

The Midcoast Advisory Council of the Maine Women's Fund will award four great ideas that promote economic self-sufficiency and security for women and girls with a \$500 Splash grant on September 22. It's about making a splash with a great idea and a big impact for women and/or girls in Knox, Lincoln and Waldo counties. [Eligibility information](#) and [grant application](#) are online. Applications are due August 31.

The Midcoast Advisory Council will host a live community event with eight finalists presenting their idea and audience voting for the winners on September 22 at 7 p.m. at Lincoln Street Center in Rockland. The MRAC will announce the Splash micro grant recipients that evening! To be part of this exciting process, RSVP to thewomen@mainewomensfund.org or 207-774-5513.

Additionally, the evening will kick off the third season of the Women's Leadership Series. These thoughts provoking discussions, facilitated by local leaders, will explore how women are advancing interconnections in their communities – by finding energy in and unity between their personal and professional worlds, by building partnerships to co-lead and co-create, and by leading sustainably both individually and collectively.

The Women's Leadership Series are free and open to the public and are scheduled for Tuesdays, November 8, January 10 and March 13 at Amalfi on the Water at 6 p.m. Attendees are welcome to arrive at 5:15 to network and enjoy Tapas from the Amalfi menu! For more information and to register for the Women's Leadership Series visit the [Maine Women's Fund](#) website.
